

ABOUT PHOENIX FOUNDRY

Phoenix Foundry is based in Uralla, a small town in the New England Tablelands region of Australia. We manufacture a range of high quality cast bronze plaques for cemeteries, crematoria, general commemoration and for the home.

Phoenix has developed systems to enable international customers - big or small - to do business with us in a seamless trouble free process.

Simply fax or email your enquiry to us. We will send you a proof of your plaque and an all inclusive quotation in your currency by fax or email. Within 5 weeks from confirmation of order, your plaque will be delivered to your door.

Visit our website www.phoenixfoundry.com.au for a comprehensive look at the products and services we offer. Also you can apply for a user name and password to access our new Plaque Design and Order Tracking Application. This facility allows customers to design a plaque, create a proof, place the order online and then track its progress to despatch. You'll always know exactly what's happening with your account.
