

HONOUR ROLLS

A permanent memorial for groups of people and the events they were involved in can be created in cast bronze. This metal has stood the test of time and the onslaught of numerous modern materials.

Phoenix compositors are skilled in presenting names in the specified sequence set out logically on the plaque.

Full sized proofs can be supplied to ensure detail is correct in all respects

A few of the areas where honour rolls can be used are;

- War Memorials
- Memorials for Service Clubs
- Sporting Organisations
- Schools
- Pioneers

- Local Government
- Police and Fire Brigade
- Old Cemeteries
- Migrant Groups
