

SCULPTURED BRONZE PORTRAITS

SCULPTURED BRONZE PORTRAITS

Capture the essence of the individual in an artistic, timeless and lasting tribute. Working together with our talented sculptor we produce unique portraits that depict the intrinsic nature of the person. As part of a quality Phoenix plaque the results are more than memorable!

> Phoenix Foundry have 3 types of Sculpted Bronze Portraits available:

1" High Bas Relief

2" High Full three dimensional Bust

0.5" High Bas Relief (best suited for flat markers)

> The Process is simple:

1. Select the portrait type you require
2. Supply 1 or preferably 2 photographs
3. Provide a few words that capture the essence of the person and any special characteristics you would like reflected in their sculpture.

> This is how it works...
