

MARKER DESIGNS OVERVIEW

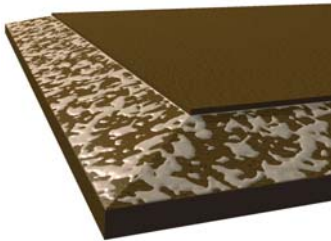

Overview

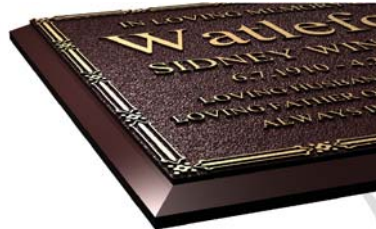

The Sculpture Series is a collection of approx 50 hand crafted bas relief scenes. All scenes are available on single or companion markers in a wide range of sizes. Each scene can be combined with your choice of edge, background colour and any additional flat or bas relief emblems to create a truly unique memorial for your loved one. Vases can also be added to these markers.

> The markers are available in a range of edge variations including:

Sculptured (Rock or Wood)

Bevel (Painted or Polished)

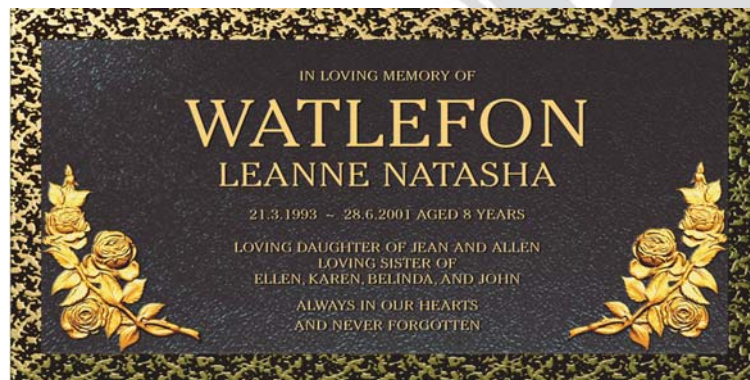

Plain Cut / Straight
